## Indiana Poll Worker Information Guide

# Be a Poll Worker

Volunteering at the polls is a fun opportunity to participate in the election process and earn a few extra dollars. Our democracy depends on the support and volunteerism of Hoosiers like you working the polls on Election Day. Poll workers play a vital role in the democratic process.

There are two requirements in order to participate:

1. You must be a registered voter and a resident of the county in which you wish to work; and
2. You must be at least 18 years old\*

- You will earn at least \$70 for your work and possibly more depending on your county.
- You will need to declare your political party preference in order to work on Election Day. Polling places are staffed by the political parties.
- In some counties, poll workers can “share the day” between two friends, colleagues or family members, instead of working the full day. Ask your county election administrator for more information.
- \*In some counties, sixteen (16) and seventeen (17) year olds have been approved to work the polls. Please call your county election administrator for more information.
